Privacy Notice

Information that is gathered from visitors to our website

In common with other websites, log files are stored on the web server saving details such as the visitor's IP address, browser type, referring page and time of visit.

Cookies may be used to remember visitor preferences when interacting with the website.

Where registration is required, the visitor's email and a username will be stored on the server.

How the information is used

The information is used to enhance the visitor's experience when using the website and or to enable shopping features.

E-mail addresses will not be sold, rented or leased to 3rd parties.

E-mail may be sent to inform you of news of our services or offers.

Visitor options

If you have subscribed to one of our email services, you may unsubscribe by following the instructions which are included in e-mail that you receive.

You may be able to block cookies via your browser settings but this may prevent you from access to certain features of the website.

Cookies

Cookies are small digital signature files that are stored by your web browser that allow your preferences to be recorded when visiting the website.

Also they may be used to track your return visits to the website.

Google Analytics

If the page of our website contains a link to the Google Analytics tracking code we are using Google, as a third party vendor of visitor logging.

Google uses cookies to track visitors to allow us to better analyze our website and constantly improve it.

We do not share personal data with Google.
